LIMITED FIGURINES 2020

FIGURINES OF ELEGANCE

THIS SPECIAL COLLECTION IS ENHANCED BY THREE FAIRY TALE FIGURES BY DESIGNER JUDIT SAVANYÚ. ONE OF THEM IS THE BAMBOO PRINCESS, A FIGURE FROM A 10TH-CENTURY JAPANESE FOLK TALE. THE DESIGN REFLECTS JAPANESE ANCIENT CULTURE. HER OUTFIT IS JŪNIHITO, A 12-LAYER SILK KIMONO DRESS OF VARIOUS COLORS WORN BY LADIES IN 10TH-CENTURY JAPAN.

THE SECOND IS PROBABLY THE MOST FAMOUS FEMALE FAIRY TALE FIGURE, SCHEHERAZADE. THE FAIRY TALE FIGURE FROM THE ONE THOUSAND AND ONE NIGHTS HAS NOW BEEN BROUGHT TO LIFE FROM HEREND PORCELAIN. SHE IS A FEMALE FIGURE FROM PORCELAIN, FROM THE WORLD OF FAIRY TALES, WHO TELLS THE TALES HERSELF AS A TELLER IN THE TALES. SITTING ON SOFT, ORNATE PILLOWS RADIATING THE ATMOSPHERE OF MIDDLE EASTERN EVENINGS, SCHEHERAZADE TELLS US ANOTHER TALE SHE MIGHT NEVER STOP...

THE THIRD PORCELAIN IS ELISABETH WITTELSBACH, FULLY KNOWN AS ELISABETH AMALIE EUGENIE VON WITTELSBACH, ON HER NICKNAME SISSI. SHE WAS EMPRESS OF AUSTRIA, QUEEN OF HUNGARY AND THE CZECH REPUBLIC. QUEEN SISSI IS WELL KNOWN FOR HER BEAUTY AND LIFE, AND HER LIFE IS PRESERVED BY MANY WORLDWIDE KNOWN STORIES. SHE IS A PERSON WITH STORIES AND FAIRY TALES, AND SHE IS THE ONE WHO IS IMAGINED BY A LITTLE GIRL AS A PRINCESS.

THE HEREND PORCELAIN MANUFACTORY'S PRODUCT RANGE IS EXPANDING WITH NEW PRODUCTS ALMOST EVERY DAY. THE SAME IS TRUE OF THE VARIOUS FIGURINES, WHICH ARE TYPICALLY MADE IN TWO VERSIONS AT THE MANUFACTORY: WITH NATURALISTIC PAINTING AND SO-CALLED SCALED DECORATION. FOR SOME YEARS, HOWEVER, HEREND MASTERS HAVE COMBINED THESE TWO, CREATING VERY SPECIAL DECORATIONS. THE COMBINATION OF THE TWO METHODS OF PAINTING REQUIRES EXTREMELY DETAILED, HIGHLY SKILLED EXPERTISE.
