THE POWER OF COLORS

WE DON'T EVEN THINK HOW GREAT IT IS TO SEE THE WORLD AROUND US THROUGH THE ABILITY OF OUR EYES BREAKING DOWN THE WHITE LIGHT INTO ITS ELEMENTS! HOWEVER, AS A RESULT OF DIFFERENT COLORS, OUR BRAINS PRODUCE DIFFERENT SIGNALING AGENTS THAT INFLUENCE OUR BEHAVIOR AND AFFECT OUR HUMAN RELATIONSHIPS. EVERY COLOR HAS A MEANING THAT OFTEN FAILS TO APPEAR, AND ONLY THE SUBCONSCIOUS MIND RESPONDS TO IT. EACH OF THEM CARRIES A KIND OF SYMBOLIC MEANING THAT MAY SLIGHTLY VARY DEPENDING ON CULTURE, GEOGRAPHY, OR AGE, BUT IN MOST PARTS OF THE WORLD EACH MEANS THE SAME. WITHOUT COMPLETENESS: BLUE ALWAYS EVOKES THE SEA, THE SKY, AND THE HORIZON, GREEN EVOKES NATURE AND THE RENEWAL, AND RED MEANS LIFE, PASSION, AND LOVE.

AT THE HEREND PORCELAIN MANUFACTORY, PORCELAIN IS PAINTED IN A SYMBIOSIS OF COLORS. AN AMAZING COLOR PALETTE IS TYPICAL OF PAINTERS' WORKSHOPS. THE GLITTERING, SNOW-WHITE PORCELAIN PIECES COME TO LIFE BY THE PORCELAIN PAINTERS, SO THAT HEREND PORCELAIN ITEMS CAN BE PRECIOUS, COLORFUL ORNAMENTS OF FLATS AND TABLES. NOWADAYS, COLORS AND THEIR HARMONY HAVE BECOME IMPORTANT NOT ONLY IN THE INTERIOR DESIGN BUT ALSO IN THE GASTRONOMY, INCLUDING FOODS, SERVING, AND OTHER ACCESSORIES THAT CAN BE FOUND ON A GORGEOUSLY LAID TABLE. WHETHER IT BE ANY FOOD SPECIALTY OR MOOD, THE FANTASTIC COLOR VARIATIONS OF HEREND PORCELAIN SERVING PLATES ARE SURE TO MAKE YOU COMPLETE YOUR GASTRONOMIC SLOW FOOD EXPERIENCE. WE ARE PLEASED TO PRESENT THE COLOR SELECTION OF OUR SERVING PLATES!
