BRILLIANCE LA “VICTORIA” (VBOG X1-PT)

CELEBRATING ITS 160TH ANNIVERSARY THIS YEAR, THE VICTORIA, POSSIBLY ONE OF THE MOST RENOWNED PATTERNS OF THE HEREND PORCELAIN MANUFACTORY LTD. IS REBORN IN AN ELEGANT, BRILLIANT FORM.

TIMELESS, EMANATING HARMONY, SUBTLY ELEGANT, BRILLIANTLY PERFECT.

THE LIGHT CRIMSON FLOWERS AND GREENISH-GREY LEAVES (BUTTERFLIES ADORNED WITH THE TWO COLOURS) FORM A PERFECT HARMONY, PLEASING TO THE EYE AND RADIATING AN AURA OF CALM, WHICH TRANSLATES INTO SERENITY FOR THE BEHOLDER.

THE USE OF PLATINUM ELEVATES THE PATTERN TO PERFECTION. THE UNPARALLELED GLIMMER OF THE PRECIOUS METAL IS THE PERFECT COMPLEMENT TO HEREND PORCELAIN, ALSO UNRIVALLED IN TERMS OF QUALITY. THE OCCASIONAL USE OF PLATINUM IN BORDERS AND DECORATIONS, IN LIEU OF THE TRADITIONAL GOLD CHARACTERISTIC OF THE MANUFACTORY IN ITS HEYDAY, IS A RECENT INNOVATION. SILVER-TINGED PLATINUM FORMS A NICE CONTRAST WITH THE BRIGHT WHITE PORCELAIN AND THE PATTERNS COMPOSED OF ONLY A FEW COLOURS. THE OVERALL EFFECT IS NOBLE, ELEGANT AND MODERN.

THIS NOVELTY, WHICH DEBUTED THIS YEAR, WAS CREATED IN CELEBRATION OF THE VICTORIA’S ANNIVERSARY, PRESENTS WITH PERFECT ELEGANCE AND HARMONY THE NEW DIMENSIONS AND MODERN COLOUR VARIATIONS OF THE PATTERN.
