VICTORIA GRANDE

ONE OF THE MANUFACTORY'S HALLMARK PATTERNS, WHICH WAS THE PREFERENCE OF QUEEN VICTORIA, HAS BEEN REDESIGNED TO A NEW LOOK. THE CLASSIC VICTORIA PATTERN PROVIDES AN INEXHAUSTIBLE TREASURE CHEST FOR NEW HEREND DECORATIONS. THIS YEAR'S NOVELTY ENLARGES SOME FLOWER MOTIFS OF THE BASIC PATTERN, AND HIGHLIGHTS THEM. THE UNIQUENESS OF THIS PATTERN COMES FROM A COMBINATION OF THE TRENDY MONOCHROME COLOR SCHEME AND THE LIGHT GRAY- AND YELLOW-COLORED BORDERS. THE DÉCOR IS A PERFECT EXAMPLE OF 21ST CENTURY'S MINIMAL DESIGN, STYLISH AND MODERN, YET REFLECTING THE ESSENCE OF HEREND. THE TABLE SET IS ENRICHED BY A MOTIF CONSISTING OF BUTTERFLIES IN THE SAME COLOR TONE. CHARMING, SUBTLE AND HARMONIC COLOR SCHEME RADIATES ELEGANCE. THE CHARACTERISTICS OF HAND-PAINTING ARE EVIDENT AND IMPRESSIVE ON THE ENLARGED MOTIFS, SHADING AND FINE DETAILS ARE MORE EMPHATIC. THE PATTERN REPRESENTS TRADITION AND INNOVATION IN EVERY DETAIL.
