

AMBIANCE

THE AMBIANCE PATTERN IS THE DEPICTION OF SIMPLICITY AND SOPHISTICATION ON HEREND PORCELAIN. THE SHINING PERFECTION OF UNPAINTED WHITE PORCELAIN IS COMPLETED WITH REFINED DECORATION ON THE EDGE OF THE ITEMS. GILDED FLORAL ORNAMENTS CURVE DELICATELY FROM THE SCALY DECORATION PAINTED WITH GREAT CARE. THIS PATTERN FITS PERFECTLY WITH THE MINIMAL DESIGN OF OUR AGE WITH ITS SUBDUED ELEGANCE, MODERATION, AND INNOVATIVE, TRENDY APPEARANCE COMING FROM HEREND'S TRADITIONS.
