### HOMMAGE A SAXE (QHVT)

THIS NEW VINTAGE-STYLE PATTERN WAS INSPIRED BY CLASSIC FLOWER MOTIFS OF THE HEREND PORCELAIN MANUFACTORY GOING BACK TO CHARACTERISTIC SAXON FLOWER PAINTING OF THE 18TH AND 19TH CENTURY.

THE ARTISTS EXPLORED A WIDE RANGE OF HEREND MOTIFS AND SELECTED THOSE DETAILS AND ELEMENTS, FROM WHICH THEY DESIGNED THIS NOVEL COMPOSITION WITH GREAT SENSE OF STYLE. THE BALANCE OF THE PATTERN IS GUARANTEED BY THE HARMONY OF COLORS AND BY THE WELL-PROPORTIONED SIZE OF SPREAD MOTIFS. THE DIVERSITY OF THE SERVICE PAINTED IN HOMMAGE A SAXE PATTERN IS PROVIDED BY THE TWO DIFFERENT PATTERN COMPOSITIONS RECALLING THE BIEDERMEIER PERIOD. THE DETAILED SMALL FLOWER MOTIFS ARE COMPLETED BY A DECORATION CONSISTING OF COLOR RIM AND AN ELEGANT ROW OF LEAVES. THE OBJECTS WITH COLORED RIMS, GARLANDS AND GREEN AND LILAC BASES PROVIDE A DELICATE BACKGROUND. THE DESIGNERS RECOMMEND DEPICTING THIS PATTERN COMPOSITION ON DINNERWARE ITEMS WITH SMOOTH SURFACE, WHICH GIVE A PROPER CONTRAST TO THE RICH DECORATION.
