VIEUX HEREND (VH)

THE FIRST FIGURINE OF THE HEREND PORCELAIN MANUFACTORY DECORATED WITH A FEATHER-LIKE SCALED DESIGN WAS MADE IN 1871. BACK THEN, THE FAMOUS HUNGARIAN WRITER MÖR JÓKAI RECEIVED A ROOSTER WITH THIS PATTERN. THE LEGEND REALLY STARTED IN THE 1930S AND THE SCALED PATTERN SOON BECAME KNOWN WORLDWIDE AS HEREND'S SPECIALTY. A VARIETY OF DIFFERENT ANIMAL FIGURINES BECAME SOUGHT AFTER COLLECTORS' PIECES. RECENTLY, A WIDER RANGE OF COLORS APPEARED IN ADDITION TO THE ORIGINAL RED AND BESIDE GOLD ORNAMENTATION, PLATINUM ACCENTS HAS BECOME MORE AND MORE POPULAR.

IT IS ALMOST IMPOSSIBLE TO IMITATE THIS PATTERN, AS THE NARROW OR WIDENING SCALES CAN BE APPLIED TO THE UNEVEN SURFACES BY HAND PAINTING ONLY. VARIOUS LIMITED SERIES MAKE THE "VIEUX HEREND" FIGURINES EVEN MORE POPULAR, SOME USING A COMBINATION OF DIFFERENT COLORS AND THE COLLECTION IS INCREASING YEAR BY YEAR. THIS HALLMARK DESIGN OF HEREND HAS ALSO BEEN APPLIED ON DIFFERENT DINNERWARE ITEMS, WHICH ARE ILLUSTRATED IN THIS LEAFLET.
